

Brian Cranfield – International Travel Photography

After I left the Labs in 2001, between 2002 and 2014 I travelled to several parts of the world, to experience a country and to photograph various aspects of its life, architecture and geography.

In the folder on display are 43 of the 10,500 photographs I have taken, and the numerical list below itemises where the photo was taken and the subject matter.

1. Myanmar - paper lantern shop in Tachileik.
2. Australia – Rainbow Lorikeets, Sydney.
